Events of Yesterday. The number of barrels of flour inspected by the flour inspector of Georgetown during the past year was 56,948.

past year was 56,938.

John F. Kelly, a lawyer, has reported that he was rebbed of \$175 and a gold watch and chain valued at \$275 on Tuesday night.

W. S. Hauer, of No, 7 H street, was robbed of a railway ticket to Lynchburg, Va., and \$17 in money in a saloon on Wednesday night.

William Hudson and Samuel Clayton, two small colored boys, were sent to the Reform school by Judge Snell yesterday for stealing a velocipede from John Johnson.

Mai. Pre has leaved an order instructing the

Maj. Dye has issued an order instructing the police lieurenants to arrest all trainps found in the city, as they should either be sent to the chain gang or be made to leave. chain gaing or be made to leave.

John Hoaffer, a lodger at, the eighth precinct station, was nearly sufficiented by coal gas late Wednosday night. He was sent to the Washington asylum, and was better yesterday.

Mrs. H. B. Moulton, as attorney for Mrs. Louisa G. Morgan, vesterday filed a bill in equity against N. W. Fitageraid praying to set aside certain deeds and convey the same to Mrs. Morgan.

Mrs. Norgan.

Judge Wylle yesterday excused Robert
Cohen from further service on the petit jury in
the criminal court on account of sickness, and
the name of Christian Ruppert was drawn
from the box to fill the vacancy.

The election of officers of the Georgetown Association for Outside Charities, which was to be held vesterday afternoon at the Aged Woman's Home, on High sirect, was post-poned on account of the inclement weather. Detective Raif returned from Nashville, fenn., yesterday with Howard Hansborough, a young colored man, who was indicted some time ago for housebreaking in entering the house of his stepbrother and stealing some clothing.

Mrs. Elizabeth Wood yesterday filed a peti-lon in equity praying that the decree for di-orce heretofore obtained by her husband, foster F. Wood, against her be set aside be-ause she was unable to pay for taking testi-mony to sustain her answer in which she de-sided the charge of adultery.

George Moran, the man who was arrested for making an indecent assault on little Lens McCabe, was before the police court yesterday. The little girl testified that she met Moran in extember while she was with some other little. She had met him several times since and he had made indecent proposals to her in deciding the case Judge Snell and that doran could only be prosecuted for indecent anguage, and took his personal bonds in both ases.

"The Accident Was Due to Carellessness."
—So said the coroner's jury, and consured the switchtender who was said to have carelessly left the switch open. Examination showed that the poor follow was nervous from overwork, and that his constitution was badly ran down by under-feeding, the result of poor pay, what he needed was a buttle or two exfreew's iron Bitters, which would have toged up his nerves and strengthened him in hind and body. Mr. Thos. Jones, Neways, Ohio, takes pleasure in saying, "Brown's Hon Bitters completely cured me of weakness, debility, and poor appetite. It gave entire satisfaction."

Building Insperier's Work.

Mrs. Murtha H. W. Enight and Mr. John T.
Vincent have been notified that the party wall of the rear building, on lot 57, reservation 10, is dangerous and must be rebuilt at the re-

is dangerous and must be rebuilt at the re-quired thickness Mr. Eugene Cassin, attorney and agent, is spailed that the rain spout of house 1718 H street northwest discharges on the parking and that arrangements must be made for conducting the water by a larger pipe to the sidewalk. D. Davidson is notified that the lottice of Aug. 23, 1884, condemning the wooden building, owned by him at 12H Eginth street horthwest, and directing its demolition, has not been complied with, and that if the cride is not carried out within, ten days from 1185 date, the case will be placed in the hands the attorney for the district. Br. Raiph Malsh is notined that the parry wall of stable between joint and 4. square 252, must be torn down and rebuilt. Mr. samuel Fowler is noti-fied that the parry wall between lots I and 12.

PRINCE ALBERT suits, Eiseman Bros., 7th

In his annual report for the last fiscal year sity for a morgue in this city. He succests sity for a morque in this city. He suggests that congress be asked to appropriate \$1,000 for the construction of such a building. He also calls attention to the dangerous condition of the James Creek canal, between 6 and N streets southeast, which has led to several cases of accidental drowning. He recommends that a temporary railing be placed on each side until the canal is improved, as people are apt to walk into the water without thought of canger. During the year he investigated 12 stickles, 10 homicides, 18 infanticides, and it deaths from accidents and negligence.

FALL overcouts, Eiseman Bros., 7th and E. Liquor Liceuses Granted.

Liquor Liceuses Granted.

The commissioners have granted liquor licenses to John Bligh, Lucy Byrne, Martin Becker, Barbara Clements, Edward Corcoran, Abraham David, J. H. Davidson, E. S. Hall, C. E. Hall, John F. Kelly, Alice Kelley, Morgan & Kennedy, James MeGee, Oscar Rundquist, John H. Richardson, Richard Ryan, C. W. Spofford, M. B. Scanion, William Scherger, Frederick Schneider, C. T. Sheckles, J. D. Sulivan, Latther Slocum, Mary F. Young, Michael Clarke, J. D. Daly, James O. Holmes, Fritz Niemann, and Allen Supplee.

They have disapproved the applications of John Brown, Mary Martin, and John F. Rotchford.

How He Gor Relier.—Mr. Charles Bennett, 5 beanery road, Stratford, Essex, England, writes that on the occasion of receiving a bad sprain and bruises on the cricket field, he obtained great relief from the use of \$S\$. Jacobs Oil. The Oreat German Hemedy is the special specific for bruises, pains, and aches, used by all athletes. all athletes.

Boys' clothing, Eiseman Bros., 7th and E. The "Permit Work" System.

The "Permit Work" System.

Msj. Lydocker has reported upon certain suggestions about the "permit system" offered by Mr. C. J. Hillyer, in which he says that the suggestions have been fully considthat the suggestions have been fully considered by the commissioners, but they cannot agree with him in believing that permit work, any more than street work, will be well done in the manner recommended by him namely, by contract, without baving an inspector continually on hand. On the contrary, past experience has actually demonstrated its impracticability. In the opinion of the contract with the contractioners, the best results will be obtained by adhering to the present system.

Alphabetical List of Battles, &c.

Memra trany & Clarkson, of 389 Pennsylvania avenue, advertise in our columns the above publication, which is certainly very desirable for reference by all who are in any way interested in the conflict on either side. The book is full of information, including a rester of surgeons and date of discharge of every regiment. The book is sent by mail on receipt of 50 cents.

CARP PROPAGATION.

Commission-The German Carp Pends. Preparations for the shipment of carp are being made by the fish commission, and if is destined for the New Orleans expesition will
all seventy-live freight cars. A rate of 72
cents per hundred pounds, with free return of
the goods, has been made, subject to change.
Owing to the fact that there are only two
roads having terminal facilities bere and connections with New Orleans, one of these will
be able to secure the freighting. The Piednont Air line was in negotiations with several
of the department commissioners, and seemed
likely to secure a good share of the business,
but were stopped by the Fennsylvania Railroad company declining to make rates from
this city to Alexandria, which portion of the
route it controls, or let the Richmond and
Danville company have the necessary cars.
The interior department will send in addition to the charts showing the progress of invention in the different departments of are
and industry, 3,000 models of patents, arranged
in sets and otherwise. Among the ungrouped models will be many of great interest,
shoals, &c

Mr. H. W. Coffin, chief clerk of the exposition for the interior department, has received
replies to inquiries for quarters for those who
will be in charge of exhibits showing that but
lew houses or even rooms remain unengaged.
The prices have become almost prohibitory,
although an effort has been made to rent at
the regular current rates, and the earlier appiceants have been accommodated for reasonable flugres. Houses are invariably rented by
the year, from October to detober, and leases
for shorter periods are generally modest made
prices that pay for the whole year, even in
ordinary times.

DURKET'S SALAD DEDSHAG AND COLD MEAY
SAUCK.—The fluest mayonaise for meat, fish,
and vegetable salads, and a superbtable sauco,
that are required to the propersion
for the interior department of the country from the country for the propension of the country
from Maine to the Armory building.
The prices have become almost prohibitory,
although an effort has been made to rent at
the regular current rates, and the carlier appiceants have been acc oment and are leased to private individuals rearp cultivation. The government derives revenue from the rent and the carp cultivator yields a handsome return to those whogage in it. We are but just beginning our ork, but we have already made decided and disfactory progress."

Alliactory progress.

THE ELECTRIC SIGN curves rheumailsm, sore feet, bunions, and corns. Made of the best materials and sold at \$2.50 by S. E. Young, 420 seventh street northwest.
